Subject: Primary School Survey Update.

Dear Community,

Thank you for your feedback on the Primary School Survey and our school's results. We greatly appreciate your time and consideration of this important matter.

The Board of Management has now considered the survey results and reviewed all feedback from parents, staff, students and the wider community. After careful consideration and noting the overall preference expressed in the survey results, we have decided to explore a change in configuration to become a co-educational school. We will now begin this process and will inform the Department of Education and Youth and our School Patron.

Please be assured that there will be no changes to how we operate at this stage. If any changes are planned in the future, we will inform you well in advance.

We will contact you again as soon as we have more information to share.

Thank you again for your engagement and support.

Yours faithfully,

Damian Moran Caragh Ní Éineacháin
