Dear Parents/Guardians,

The school requests your consent for the following matters relating to your son/child in your care, who is attending the school hereafter referred to as 'the pupil'.

## Acceptable Use Policy

I have read the school's Acceptable Use Policy published on the school's website and agree to seek the prior approval of the school's Principal if the pupil intends to bring a device covered by the policy into the school. I also grant permission for the pupil to access the internet in school for educational purposes. I confirm that the school cannot be held responsible if a pupil accesses unsuitable websites and acknowledge that every reasonable precaution has been taken by the school to provide online safety.
